Dear Director Butay:

On December 10, 2021, the Department of Health & Human Services and the Department of the Treasury approved Hawaii's application for an extension of its State Innovation Waiver under Section 1332 of the Patient Protection and Affordable Care Act (ACA). Hawaii's approved waiver extension application continues to waive the ACA's requirement that a Small Business Health Options Program (SHOP) operate in Hawaii, and other related requirements relevant to SHOP Exchanges, for plan years 2022 through 2026.

It is the Department of the Treasury's final administrative determination that, after application of sequestration at the fiscal year 2023 rate of 5.7 percent (\$3,084.73) Hawaii's net pass-through funding amount for calendar year 2023 is \$51,033.27, which must be used for purposes of implementing Hawaii's State Innovation Waiver.

We look forward to continuing to work with you and your staff. If you have any questions regarding program matters or official correspondence concerning the waiver, please contact Lina Rashid at Lina.Rashid@cms.hhs.gov or stateinnovationwaivers@cms.hhs.gov.

Sincerely,
